Dear Dermot:

It is with great pleasure that I write this letter of recommendation.

Accent Marble Inc. has worked with U.S. Environmental for the past three years. We have been and continue to be very pleased with Dermot and his Staff. Their professional work and prompt responses to any and all questions keep us at ease with all environmental laws. The binder we receive each year, outlining our compliance report is superb. I would recommend U.S. Environmental to any company who needs to comply with environmental laws.

Sincerely,

Susan McDaniel
Office Manager
